SUMMARY

Experienced Professional Transitioning from Technical Recruiting to UX/UI Design.

Having thrived as a technical recruiter, I embarked on a profound journey into UX/UI design. I gained invaluable design insights through a recent professional certification and internship. Eager to apply my wealth of people experience alongside emerging design skills in a junior designer role, I am poised to contribute my fresh perspective to innovative projects.

TECHNICAL SKILLS

Languages: JavaScript, HTML, CSS

Frameworks: Design Thinking Process

Design Tools: Git, Figma, Framer, Adobe XD, Miro, Jira

Design Skills: Usability testing, Product strategy, Stakeholder management, User research

EXPERIENCE

UX/UI Design Intern

Jun. 2023 – Present

Articodea

Vancouver, Canada

- Illustrated design ideas using storyboards, process flows, and sitemaps
- Identified and resolved UX/UI problems using a user-centric design approach
- Collaborated in the design and implementation of all the experiences a user has when interacting with our product be it the web or mobile
- Experimented and learned new software to speed up and facilitate the design process

Technical Recruiter

Feb. 2023 – Nov 2023

Reflik

Vancouver, Canada

- Analyzed data and utilized applicant tracking systems to optimize recruitment, resulting in a 20 percent reduction in time-to-fill positions and improved operational efficiency
- Leveraged advanced interviewing methodologies and adept interpersonal skills to effectively onboard premier technical talent
- Ensured a positive candidate experience throughout all stages of the recruitment process, prioritizing candidates' favourable interactions and engagement

Senior Recruiter

Feb 2022 - Sep 2022

Honeywell

Toronto, Canada

- Conducted meetings with department heads to outline staffing needs, establish recruitment timelines, and formulate sourcing strategies
- Offered essential expertise to the organization on all matters related to recruitment, including the creation and execution of attraction and selection strategies, along with candidate management utilizing our internal ATS
- Surpassed the offer acceptance rate target within the initial month of tenure and successfully filled 12 roles within the first two months

Technical Recruiter

Jul 2021 - Dec 2021

Keyloop Rapid RTC

Winnipeg, Canada

- Oversaw recruitment operations within the Canadian office, reporting directly to the Global Recruitment Manager

Technical Recruiter

Jun 2019 - Jun 2021

Boeing

Winnipeg, Canada

- Collaborated closely with hiring managers, conducting strategy/intake meetings to delineate role prerequisites, interpret desired qualifications, and publish succinct job requisitions on the recruitment platform.

Onboarding Specialist, Training Coordinator

Apr 2018 - Jun 2019

SkipTheDishes

Winnipeg, Canada

- Spearheaded the end-end onboarding process and training of new employees.

EDUCATION

University Of Manitoba

Genetic's Degree, Faculty of Science and Biotechnology

Winnipeg, Canada

2016 - 2021

CERTIFICATIONS

UX/UI Design Professional Certificate - Google
