Figma, Adobe, Miro, Jira, HTML, CSS and Javascript

PORTFOLIO PROJECT

UX/UI Designer

June 2023– Present

- I designed user experiences and interfaces with responsive design for iOS devices
- I conducted user research and testing to validate design decisions
- I utilized figma and adobe for wireframing and prototyping
- I designed and developed my portfolio website using HTML, CSS and Javascript

Technical Recruiter

Feb 2023 – Nov 2023

- Analyzed data and utilized applicant tracking systems to optimize recruitment, resulting in a 20% reduction in time-to-fill positions and improved operational efficiency
- Leveraged advanced interviewing methodologies and adept interpersonal skills to effectively onboard premier technical talent
- Ensured a positive candidate experience throughout all stages of the recruitment process, prioritizing candidates' favourable interactions and engagement

Technical Recruiter

Feb 2022 – Sep 2022

- Conducted meetings with department heads to outline staffing needs, establish recruitment timelines, and formulate sourcing strategies
- Offered essential expertise to the organization on all matters related to recruitment, including the creation and execution of attraction and selection strategies, along with candidate management utilizing our internal ATS
- Surpassed the offer acceptance rate target within the initial month of tenure and successfully filled 12 roles within the first two months

Technical Recruiter

Feb 2020 – Jun 2022

- Oversaw recruitment operations within the Canadian office, reporting directly to the Global Recruitment Manager

Talent Acquisition Specialist

Jun 2019 – Jun 2021

- Collaborated closely with hiring managers, conducting strategy/intake meetings to delineate role prerequisites, interpret desired qualifications, and publish succinct job requisitions on the recruitment platform.

T & D Program Manager

Sep 2018 – Jun 2019

- I supervised a team of five training coordinators, fostering collaborative ideation and ensuring seamless knowledge transfer within the team.
- Consistently met training deadlines, upholding a commitment to delivering high-quality training

Success Specialist

Jun 2018 – Sep 2018

- Provided managerial assistance to CSR agents, ensuring a supportive and collaborative environment that fosters creativity and effective problem-solving.

Onboarding Specialist

Apr 2018 – Jun 2018

- Spearheaded the onboarding process for new Customer Service Representatives (CSRs),

2016 – 2021

Bsc Genetics
University of Manitoba

2023
